

RAY-PEC EAST MIDDLE SCHOOL **BAND**

Band Concert: December 12th, 7pm

Hello Band Parents,

The first band concert of the school year is fast approaching! We are looking forward to sharing some great music with you! Each band class has been doing a great job preparing for our performance by working hard in every single class. It has really been a lot of fun!

As you know, the 7th grade band is separated into five sections and 8th grade band into two sections. We are near the point where each band needs to meet all together to complete the finishing touches to make a great performance.

To rehearse as a full band, we will need to meet before school starts in the morning twice before our concert. This will allow each band the opportunity to hear the other sections and put the whole performance together.

We are near the point where each band needs to meet all together to complete the finishing touches to make a great performance.
